

REDORAH KENNELS MISSION

We guarantee our Miniature Schnauzer puppies free of hereditary defect barring accidents or injury for the life of the pup.

All pet puppies are sold on a **NON BREEDING/LIMITED REGISTER** Agreement unless otherwise agreed.

All our Schnauzers come with a Pedigree. When puppies go to their new homes their vaccinations and worming schedules are up to date, they have been microchipped for identification and have been thoroughly health checked by our Veterinarian. Feel free to have your own Vet check the puppy within 3 days of bringing it home. If, **FOR ANY REASON**, the Veterinarian is not happy with the pup we will refund the purchase price or replace the puppy.

All our Miniature Schnauzers leave prepared with the following:

1. A health record which includes vaccination certificate
2. A trim and a bath
3. Food and some toys
4. A Puppy Information kit including pedigree, articles on feeding, care, training and general interest articles

We have a written purchase contract which is signed by both parties.

If at ANY TIME you need to remove your dog from your possession PLEASE CONTACT ME FIRST as I may be able to take it back or find a new home.

OUR GOAL STATEMENT

1. Breeding happy, healthy Mini Schnauzers with sound bodies and temperaments.
2. To not knowingly breed any hereditary defects.
3. To sell quality puppies for family pets and companions.
4. Endeavour to give factual unbiased information to people who ask.
5. To compete in shows to promote our breed and win or lose in a sportsmanlike manner.
