

Redorah Kennels

AGREEMENT OF SALE AND GUARANTEE For the Puppy known as

D.O.B.

Microchip no:

It is hereby agreed that the puppy has been sold as a family companion and is **NOT for Show or Breeding purposes**. This puppy if male is to be neutered about 11 - 12 months of age and if female to be spayed at approx 6 -8 months of age, I suggest you discuss this with your Veterinarian as each has their own ideas.

The puppy is also sold by the breeder in good faith, without any knowledge of the puppy suffering from any inherited defect **that would affect its ability to function as a pet**. If at any time during the dog's life a Veterinarian diagnoses **a severe inherited Disorder/diseases"** then the dog must be brought to the breeders nominated Veterinarian, Mr Tom Astbury of Colyton Vet Hospital for a second opinion, this expense to be covered by the breeder for this consultation. Upon confirmation by the nominated Veterinarian of such inherited disorder either the purchase price or another puppy of similar value shall be given to the purchaser, return of dog is optional

If **AT ANY TIME** the dog has to be relocated, it is further agreed that the purchaser shall advise the breeder accordingly, allowing the breeder first option of taking the dog or assisting in finding a suitable home for the animal. If relocated with a family member please notify me of change of ownership for my records.

This guarantee is null and void upon any evidence of abuse or neglect. To remain in effect, this dog must receive annual vet check and treatment as prescribed.
